## Trauma & Emergency

# TEAMS

### Academic Medicine Sentinel

*"Proclaiming and Promoting Academic Leadership"*

### From the Desk of Editor

Dear Colleagues,

TEAMS step into the fourth year Volume 4 and Edition 13. It can happen only through collective effort of all members & academicians who dreamt to initiate Emergency Medicine as an academic discipline in our country. My pranams & gratitude to all my INDUSEM board of directors, ACET colleagues, friends and PSG Institute of Medical Sciences & Research for its support.

INDUSEM has crossed several milestones since its inception in the year 2005 which was started by a small group of academicians from AIIMS & USF with the focus of fostering the science of Emergency Medicine. 2006 marked the year of ACET the academic wing of INDUSEM, 2007 Leadership training, 2008 EMTECH the training wing, TEAMS the newsletter, JETS the international journal from India, 2009 ARC the research wing, 2010 FACET training the trainer module, Leadership for Mass Casualty Management and many more to come this year in New Delhi.

Emergency Medicine has been accepted by the Medical Council of India & declared MD Emergency Medicine as a broad specialty programme in the year 2009, thanks to all who helped us turn stones to achieve this in the interest of the nation.

The INDUSEM 2011 happens in New Delhi where we incorporate an all new training methods in the pre conference, workshops and the main conference. 1<sup>st</sup> batch of FACET will be conferred their fellowships this year in New Delhi.

I welcome the sitting ACET members & Deans to participate personally in the ACET New Delhi during INDUSEM 2011 as we initiate the process of starting MD Emergency Medicine and set the ball rolling across all medical colleges in the country.

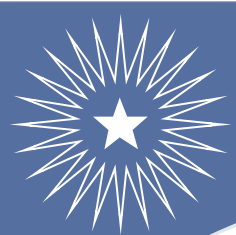

JAIHIND.

## INDO-US EMERGENCY MEDICINE SUMMIT

**A Level One International Academic Meeting on Trauma, Emergency & Disaster Medicine  
INDUS-EM 2010 : Vadodara Medical College, Vadodara, Gujarat**

The 6<sup>th</sup> INDUS-EM was held from 6<sup>th</sup> to 10<sup>th</sup> October 2010 at Medical College Baroda and SSG Hospital Vadodara. The Theme for the Summit was “Doctrines, Departments and Development”.

INDUS-EM Summit 2010 was held simultaneously with the Annual Assembly of the Academic Council for Emergency and Trauma. This meeting was Co-hosted by MS University Vadodara and the health system of Gujarat.

Over 3000 Delegates participated from over 60 Medical Colleges across India. The Summit was held simultaneously in 15 Halls and was hugely supported by the Medical Council of India, Rajiv Gandhi Medical University, Indian Council for Medical Research, many International agencies and the Industry. Faculty from the Centers for Disease Control and Prevention, USA also participated in the Summit.

The Ninth Issue of the Journal of Emergencies, Trauma and Shock (JETS) was released at the inaugural function of the Summit. The Academic Council meeting was attended by over 30 Councilors and a range of issues were discussed in ACET.

INDUS-EM 2010 offered workshops on Emergency Airway and Ventilation, Clinical Research Methods for Clinical Trials, Pediatric and Pregnancy Resuscitation and Tactical Medicine. These education segments were very well appreciated and Delegates wanted new segments to be introduced in 2011.

One Pre-Conference and One Post Conference was held in Mullana, Haryana and Pune, Maharashtra respectively. INDUS-EM Faculty participated in Disaster Workshops, Trauma Critical Care Education Program and the CDC workshops at the Maharishi Markandeshwar University in Haryana.

The Academic Council meeting was attended by over 30 Councilors and Deans. A range of issues were discussed in ACET from Emergency Academic Content to problems in developing Academic EM in India. Stringent Membership criteria were laid out for being a Part of the Academic Council.

INDUS-EM 2010 had 30 International faculty (including Nurses and paramedics) and 100 National Faculty participating. Similar to last year in 2010 there were joint conferences for nurses and paramedics.

INDUS-EM 2010 was held in the backdrop of the Golden Jubilee 50 Year celebration for Statehood of Gujarat State which also happens to be the birthplace of MCI recognized Academic Emergency Medicine in India.

INDUS-EM 2010 was held over 5 Days and attended by 2500 Delegates. It was the First International EM Conference to be held in history of Gujarat that too in its Golden Jubilee Year. INDUS-EM 2010 was successful in exiting enthusiasm and spreading awareness in the Field of Academic EM in Gujarat and across India.

Inaugural ceremony of INDUS EM 2010
