Fast track your way to success!

Venue : Department of Emergency  
Medicine, Jubilee Mission Medical College  
& Research Centre

Dates : January 30<sup>th</sup> and 31<sup>st</sup>

After two successful years, the third installment of Examthalon will be conducted at Jubilee Mission Medical College & Research Centre on 30<sup>th</sup> and 31<sup>st</sup> January 2019. The two-day program is intended for all exam-going candidates to brace the hurdles and prepare well in advance. The program is designed on the structure of DNB and MD board exams and is assured to be the closest semblance to the actual exam pattern. The program will be conducted by renowned faculty who have featured as examiners for various board exams.

The Highlights of the course include:

- ❖ Mock Theory Exams
- ❖ Mock Practical Exams - includes Short cases, Ultra-short cases, OSCE, viva, spotters, journal and thesis appraisal and skill stations
- ❖ Critical Performance Appraisal
- ❖ Tips for Approaching Board Exams

Note: Due to logistic reasons and to maintain quality of the program, the number of entries is strictly restricted. Please reserve your place well in advance to avoid last minute rush.
