## Trauma & Emergency

# TEAMS

Academic Medicine Sentinel

"Proclaiming and Promoting Academic Leadership"

From the Desk of Editor

Dear Colleagues,

Great and overwhelmed in writing to you all again. TEAMS steps into 5<sup>th</sup> year of inceptions and it proves we are on the right track towards our goal of developing our infant called Emergency Medicine.

The INDUSEM 2012 in Nasik was a great academic experience attended by more than 2000 delegates across the country. The Nasik summit laid the roadmap for various initiatives like Pediatric EM, Research in Emergency Medicine, National curriculum for EM ultrasound, ACEE initiated for Membership in ACEE for non Fellows, roadmap for structuring the process of FACEE and many more.

We move forward towards the specific goal of MD (EM) across all MCI recognized medical colleges in India with a strategic plan in developing the infrastructure ,skilled human resource both for patient care and training (teachers),curriculum, assessment and evaluation methodologies etc. We also develop a training module for the nurses and paramedics to upgrade the knowledge and skill in the field of Emergency Medicine by initiating Academic College of Emergency Nurses as part of INDUSEM.

INDUSEM 2013 shall be held at Trichur, God's own country which is going to be a great extravaganza

Welcome to Kerala

JAIHIND.

INDUS-EM 2012 @ Nashik Engineering Cluster Convention Center, Nashik, Maharashtra.  
Theme: "Innovations, Interventions & Institutions"

Dignitaries on the dias

The 8th Annual INDUS-EM Summit 2012 was held simultaneously with the 7th Annual Assembly of the Academic Council for Emergency and Trauma. This meeting was hosted by the Maharashtra University Of Health Sciences {MUHS} and The Association of Physicians of Nashik {APN} Maharashtra, India.

2200 Delegates participated from over 105 Medical Colleges across India and the United States. The Summit was inaugurated by His Excellency the Governor of Maharashtra Shri. K. Sankaranarayanan on 26th October 2012. The five day educational extravaganza was held at Two locations in over 20 halls with the Pre-Summit at MUHS and the Main Summit at Nashik Engineering Cluster Convention Center. It was hugely supported by the Medical Council of India, Center for Scientific & Industrial Research and Indian Council for Medical Research

and many International agencies and the Industry. Faculty from the various Universities from USA, New Zealand and Israel also participated in the Summit.

The Pre-Conference Meeting was held at MUHS Nashik where a national round table was organized to lay the framework for Disaster Mitigation during the 2015 Maha kumbh Mela in Nashik where over 10 Million people will be gathering. Experts and Leaders from Civic Administration, Medical Facilities and Voluntary Organizations attended the meeting and a task force was appointed to carry the work forward in an organized matter.

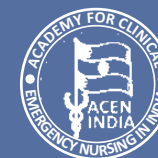

The Second Fellowship Convocation of the Academic College of Emergency Experts in India {ACEE-INDIA} and the Academy for Clinical Emergency Nursing in India {ACEN-INDIA} was held during the Summit.

Dignitaries with the chief Guest

Dr Tracy Sanson being Honored by the chief Guest

Theme: "Innovations, Interventions & Institutions"

Honorable Governor of Maharashtra addressing the gathering

The 2nd Annual Meeting of Indian Network of Critical Illness and Injury Translational Trial Experts (INCIITTE) was held on 27th October 2012 parallel to the Summit where innumerable Research Ideas were discussed and a few were selected for Multi-center Research Trials.

The summit also witnessed the formation of the Emergency Medical Council of Residency Departments in India (EMCORD-INDIA). All MCI Recognized MD-EM Residency Departments and Faculty were a part of EMCORD. The focus of EMCORD was to develop common algorithms, protocols for and teaching and testing methodologies to advance Education, Research and Treatment in Academic Emergency Medicine in India. EMCORD is also a forum where the academic challenges will be discussed and conveyed to MCI.

Dr Arulselvi

**Dr Arulselvi was the proud recipient of the INDO-US Academician and Researcher of the Year 2012 Award.**

Dr S Arulselvi the Associate Professor of Laboratory Medicine and Director of the Blood Bank at the AIIMS JPN Apex Trauma Center at New Delhi. She is a MBBS graduate of the Thanjavur Medical College, Tamil Nadu after which She did her Post Graduation in Pathology from Kasturba Medical College, Karnataka and later joined AIIMS as a teaching faculty in 2005. A well acclaimed researcher and teacher Dr Arulselvi has over 30 publications in the short span of her teaching career from 2005 at AIIMS. She is recognized for her skills in translational sciences related to Emergency and Trauma Care. She is an active member of the Indian Network of Critical Illness and Injury Translational Trials Network where she guides and directs many single center and multicenter studies. Her research work has been a recipient of various awards and she has been an Examination appraiser.
